

OFFICE OF THE
LORD MAYOR
Brisbane

6 June 2008

Rotary Club of Largs
District 1230
Ayrshire
SCOTLAND

Dear Rotary Members

On behalf of the people of the City of Brisbane and the members of The Rotary Club of Stones Corner, Brisbane, I congratulate you on the occasion of the 50th Anniversary of Charter.

Service organisations such as Rotary International play a vital role in today's society and will continue to play an even more important role in the future through cooperation and continuity. Rotary Club members prove to be active leaders in our communities, working selflessly to provide much needed services and support at both international and local levels in the areas of health, hunger, literacy and water to name a few.

I strongly support the development of formal links and exchanges between our Cities, especially through your twinning with The Rotary Club of Stones Corner, as they serve to foster friendly relations allowing each of us to develop international understanding and goodwill, and an appreciation of our strong historical ties.

Please accept my well wishes for your 50th Anniversary celebrations.

Yours sincerely

Campbell Newman

LORD MAYOR
