President, 1999/00

ROTARY
INTERNATIONAL
IN GREAT BRITAIN AND IRELAND

To President John Watson and
The members of the Rotary Club of
Largs

18 May 2008

Dear President John

Golden Anniversary

Although it is some time since I was in Office I am aware that you are to celebrate the 50th Anniversary of the Charter of the Rotary Club of Largs next month.

Through my friend and colleague, Neil Fraser, I am hoping to convey to you all my congratulations on such an achievement. It is not easy for any Rotary Club to keep developing year on year, but to continue to provide Service within the community and internationally over a 50 year period is worthy of recognition.

I remember meeting many of the members when I attended the District 1230 Conference when Neil was DG. I was impressed by the support given to Neil and the positive attitude towards Rotary International.

Long may you continue to serve Largs and I hope that this milestone will encourage you to ensure that Rotary remains strong and vibrant in the area for another 50 years.

Congratulations to you all and well done.

All good wishes

Yours sincerely in Rotary

W John Hockin
